

American Heritage School - Athletics Commitment Letter

The purpose of AHS athletic programs is to build student character, discipline, and physical ability with opportunities to exhibit skills, leadership, teamwork, and good sportsmanship. The goals are **Sportsmanship**, **Excellence**, and **Involvement**. To accomplish these objectives there must be a strong commitment between coaches, student athletes, and parents.

Coach Commitment:

I promise to provide quality training, instruction, guidance, and encouragement to all athletes in a manner that is fair, safe, and Christlike. I will teach athletes the rules of the sport. I will teach and exercise the skills required to win. I will clearly communicate expectations. I will insist that students stretch their talents and abilities, adhere to team rules, schedules, and sportsmanship behaviors. I promise to display the highest standard of integrity, goodwill, and fairness. I will praise athletes and team when they improve and accomplish. I will lovingly chastise and correct when errors are made. I will be an ambassador for AHS values at all times.

I will attend and be on time to all practices unless arrangements have been made with the coach beforehand. I acknowledge that I may be cut from the team through try-outs or failure to give my best efforts. I will give full support to all coach decisions on position assignments, game plans, team rules, and practice routines. I will maintain academic requirements. I promise to exhibit the best sportsmanship behaviors in word, deed, and emotion to myself, my team, coaches, parents, game officials, and opponents. I will be an ambassador for AHS values at all times. I will encourage and cheer on teammates and assist them with improving their skills. I will not quit.
