

Dear Parents,

*The Parent Organization* welcomes you to another fabulous year at American Heritage School. Whether you are a new or returning family this school year is sure to be an exciting adventure. With new teachers and new friends, each school year is an amazing time of growth and learning.

Let me first start by introducing the Parent Organization Board for the 2016-2017 academic year. Serving as President is Jenny Burr, board members include: Melissa Washburn, Jody Nielson, Shannon Brown, Krista MacArthur, Melanie Sorensen, Dallas Harris, and serving as Secretary -Laura Hale. Each of these parents have great wisdom, dedication, and commitment to the mission statement of American Heritage to serve and assist families in “educating hearts and minds.”

The purpose of the *Parent Organization* is to work with administrators and teachers on orchestrating special events at American Heritage School and to provide opportunities for parent volunteers to assist with these events. Our goal is to aid families in having a positive experience while fulfilling their 30 hours of service. Please visit [american-heritage.org](http://american-heritage.org) and click on “**We’re Searching for Volunteers**” to find service opportunities and volunteer sign-up sheets for all of the Parent Organization sponsored events.

Mark your calendar for **AHS annual Fall Festival, September 30<sup>th</sup>** from 6-8p.m. Sponsored by the Parent Organization! For more information or to volunteer, please visit [american-heritage.org](http://american-heritage.org)
